You can see the character of the institution by the visitors which throng the Hall daily. The attractions are numerous. The Sheet Music Department, which always has the very latest music in stock; the Player Roll Library, which is complete; the Auditorium on the second floor, for which there is no charge for its use; the Ladies' Rest Room, which is magnificently appointed; the Factory Repair Department; the popular Victor Department.

All these draw, as a magnet, persons who have heretofore been uninterested in things happening in the musical realm. Merchandise of known make only are offered you, and our one-price system to everybody, everywhere, is your protection. No matter what make instrument you are interested in, no matter what you may need Musical, always bear this one thought in mind-

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys fliter this acid from the blood and pass it on to the bladder, where it often remains to irritate and infiame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Sure Indications of Lung Trouble

Among the indications of threatened Lung Frouble are a continued cough, fever and night sweats. A change of climate often helps, but it seems that something more is needed to stop the cough and sweats and arrest the progress of disease. Eckman's Alternitye, after many years of use, is known to be most beneficial in bringing about relief, in many cases complete recoveries. Investigate this case:

Schell City, Mo.

"Gentlemen: I had a terrible cough, night sweats and pleurisy in my lunes. A man who heard me coughing advised me to take your Alterative. I paid no attention to him then. I got so bad the doctor said I should go to Wyoming. I did, and when I got there I steadily grew worse. Then I remembered what had been told me about your medicine. I began taking it, with no faith whatever, but befose I had taken three hottles. I could cat anything. Fever and night sweats stopped, and for over a year I have been well and in better health than I ever was."

Benjamin Lovenstein Knocked

Down for Cursing a

Policeman.

Police Court proceedings were

stein. An exchange of epithets, it was reported, was the cause of the officer striking at the lawyer. The latter fell, but whether it was from the effect of the blow or while dodging it, was not determined. Lovenstein did not show any marks of violence.

Both men were arrested. Sweet was charged with assaulting Lovenstein, and the later was charged with cursing and abusing Sweet.

But for interference by Detective-Sergeant Kellam the fight would no doubt have been prolonged. The encounter started at the elevator, and in a few moments, the crowd in Justice Crutchfield's court was startled when Lovenstein dashed into the room. Sweet was haited at the door by Kellam, who had difficulty in restraining him, but several other officers came to his aid and Sweet was prevented from renewing.
